

International Student Seminar in National Museum of Nature and Science 2022.

DATE: Saturday, December 10th 10:00~16:00

PARTICIPANTS: 12 international students

DESTINATION: National Museum of Nature and Science at Ueno

This seminar, which aims to deepen understanding of Japanese history, nature, and culture and promote cultural exchange, was held for the first time in three years in 2022, with a total of 12 participants, 9 international students and 3 domestic students.

We invited Mr. Kazuyoshi Suzuki, former director of the Center for the History of Industrial Technology at the National Museum of Nature and Science, to give a lecture titled "The Edo period is the SDGs." He gave lectures from a wide range of perspectives, from Karakuri dolls in the Edo period to the automobile and aviation industries.

After enjoying a tour of the museum, participants strolled through Ueno Park and its surroundings.
