Pre-registration: http://www.ic.tmu.ac.jp/english/study_abroad/scholarship_preregistration.html

<Application Period/How to Register>

(For New Students)
Response Deadline: October 1 (Wed) - October 8 (Wed), 2025

"Please respond via Microsoft Form from the scholarship pre-registration page on the above International Center website. (Information for students enrolling in Fall 2025 will be updated around September.)"

<Eligibility>

(New Students) → Students who will become B1, M1, D1, or new research students from October

* Those who enrolled in April, or who advanced or returned to TMU in October, are not eligible. Details will be provided in September.

* Applicants must submit official transcripts.

(the ORIGINAL/JAPANESE or ENGLISH) except Japanese Language School ones)

* When submitting your advance registration via Microsoft Form, you will be required to upload a scanned copy of your original academic transcript. Please make sure to prepare the original transcript in advance, as some scholarship foundations may require the original document or a certified copy at the time of application. Since it may take time to obtain the original, we recommend preparing it as early as possible.

* Students advancing internally must submit the "Grade Notification" from their previous program. Please make sure to print it out in mid-September. (Note: Grades from summer intensive courses that are reflected in the Grade Notification by the time of the advance registration period will be included in the GPA calculation, so please be aware.)

* Only undergraduate students with a Grade Average Point (GPA) of 3.0 and over, and graduate school students with a GPA of 3.5 and over are eligible to apply.

* GPA forms with incomplete calculation are not acceptable.

<Notes>

✂You cannot apply for any scholarship requiring application through the university for a year unless you have completed the pre-registration.

✂You are not eligible to apply for any scholarship for international students unless you have a "Student" status of residence.

✂Most scholarship foundations require applicants to have high-level Japanese language skills.
